Hotel Finial

The hotel Finial is located just 2 blocks from Zinn Park where you can bike over to catch the shuttles to head up to the mountain and you will be able walk back to your lodgings after the Saturday night social!

Originally built in 1888, the Hotel Finial stands in the very heart of Anniston situated along the foothills of the Appalachian Mountains. It is located just 60 miles from Birmingham and 90 miles from Atlanta. You will definitely want to put your BRAKES on and stay the weekend!

We invite you to escape from the business world and enjoy the Coldwater Mountain FatTireFest. Each of our 56 exterior hotel rooms opens its door to a tile entry way to park your bicycle in your room. In addition, five of the 56 rooms offer wall mounted bike racks! We think our hotel is off the CHAIN!

As you enter the gated parking lot, look on top of the Carriage House where registration is located. You will see a handcrafted weathervane that the owner himself created. Just behind the Carriage House, there is a bicycle cleaning station provided if needed. We try to HANDLE all of your needs while being our guest!

After a long day's ride, simply come back to Hotel Finial and relax and refresh in Spencer's Bar. We offer fine wines, cocktails, beer and our two very own Craft beers, Finial 8 and Mighty Fine.

Hotel Finial is possibly THE most bicycle friendly hotel in the state! For reservations, you will need to call 256-236-0503 and give the group name to receive your discount. The discount code is Fat Tire Fest.
